1. Introduction

Indus Earth Trust is the Pakistan based Not-For-Profit Organization working mainly in the areas of Human Development and Energy Infrastructure of Pakistan. Established in 2002, to aid neglected coastal communities in Sindh and Baluchistan.

2. Background

Indus Earth Trust will apply a participatory and inclusive approach to deal with victims through the rapid assessment of the flood/heavy rains affected families, focusing on women-headed victim families and people with different disabilities, and minority groups. IET has extensive experience in disaster relief activities, IET working in affected areas for the last 13 years, is well known in the communities, and set up the community organizations already in place in damaged villages. Close contact with the district management and other civil society organizations. The initial survey of affected families, reviewing PDMA reports, media information, and focal point of the deputy commissioner Thatta district, Indus Earth Trust proposed the following items that the dire need of the affected families.

Code of Conduct and Ethics

(Non-Employee, consultants, vendors and third parties)

Upholding ethical standards protects the integrity, fairness, and transparency of the procurement process.

As a consultant/Vendor professional objective is to assist IET to add value to their enterprise, whether that enterprise takes the form of a business, a not-for-profit organization or any element of government.

As a consultant/vendor requires adherence to this Code of Conduct and Ethics as a condition of relation. All consultants/vendors have pledged to abide by the IET's Code of Conduct and Ethics and their voluntary adherence to the Code signifies the self-discipline of the profession.

All individuals (non-employees) contracted or functionally related to IET, including executing entities and third-party vendors:-

1. Will serve IET with integrity, competence, objectivity, independence and professionalism.
2. Will only accept assignments that they are competent to perform; and will only assign staff or engage colleagues with knowledge and expertise relevant to the assignment.
3. Before accepting any assignment will establish with IET realistic expectations of the objectives, scope, expected benefits, work plan and fee structure of the assignment.
4. Will treat all confidential IET information appropriately; will take reasonable steps to prevent access to confidential information by unauthorized people and will not take advantage of proprietary or privileged information, for use by them or others, without the IET's permission.
5. Will avoid conflicts of interest, or the appearance of such, and will disclose to IET immediately any circumstances or interests that they believe may influence their work, judgment or objectivity.
6. Will not contact IET during the any pre-solicitation or evaluation phase in which participated, unless IET contact for any information.
7. Will offer to withdraw from assignment when they believe their objectivity or integrity may be impaired.
8. Will inform IET immediately if there is any change in contact person, email, address, directors, release of any of his/her employee or any such information which could be necessary for IET record.

9. Will represent the profession with integrity and professionalism in their relations with IET, colleagues and the general public.
10. Will report to appropriate authorities within or external to IET organization any occurrences of malfeasance, dangerous behavior or illegal activities discovered during the course of an assignment.
11. Will not offer commissions, gift, bribe, remuneration, or other benefits from himself or from a third party in connection with any assignment to IET, and will disclose in advance any financial interests.
12. Will promote adherence to the Code of Conduct and Ethics by all other staff working on their behalf.
13. Strive to treat all persons of IET with respect and courtesy in accordance with applicable international and national conventions and standards of behavior;
14. Never intentionally commit any act or omission that could result in physical, sexual or psychological harm to the beneficiaries we serve, or to their fellow workers;

15. Not condone or intentionally participate in corrupt activities or illegal activities. While respecting and adhering to these broader frameworks of behavior,
16. Shall not harass, discriminate, or retaliate against any other consultant/vendor or any member of society.
17. Shall make themselves available and fully participate in all administrative inquiries with completely honesty.
18. No IET employees shall solicit anything of value from a citizen or business for services that the IET is expected to provide.
19. Shall not remove IET property from its assigned place for personal use. Defacing or destroying IET property is vandalism and shall be dealt strictly.
20. Will not permit considerations of race, gender, nationality, religion, politics, sexual orientation or social status to influence professional behavior or advice.
21. Will be respectful of those whose well being may be contingent. Will diligently apply objective judgment to all consulting assignments, based on the best information available. Will conduct independent research and analysis where possible, and will consult with colleagues and others who can help inform the judgment.
22. Will not use any services, goods, materials, technology and/or equipment provided by or paid for by IET for illegal, inappropriate, or otherwise disruptive activities, or in support of such activities.
23. Shall not place or display non-official notices in IET premises without prior written approval from the appropriate authority.
24. Shall not possess unauthorized weapons, illegal drugs, or alcohol on IET premises.
25. Shall strictly follow the IET's workplace policies while on any IET premises.

This Code of conduct is not exhaustive and may not anticipate every situation which may morally, ethically, professionally, legally compromise the employees or IET interests. In this regard IET expects to use sound judgment. However, compliance with this Code is a mandatory obligation owed by all consultants, third party vendors etc. Breach of this Code or any requirements mentioned in these Rules

will result in disciplinary action and may lead up to cancellation of work order/registration including legal action or other appropriate disciplinary actions.

Anti-Money Laundering and Anti-Terrorism Financing Policy

Policy

“It is the policy of the IET to prohibit and actively prevent money laundering and any activity that facilitates money laundering or the funding of terrorism or criminal activities” by complying with all applicable requirements under the **Anti-Money Laundering Act 2010** (Act No. VII of 2010 - an Act to provide for prevention of money laundering) and **Anti-Terrorism (Second Amendment) Act, 2014** and its implementation regulations. Recently under the national action plan and SECP regulations money laundering has been identified as a major cause for corruption and criminal activities. **Therefore, IET is very sensitive to ensuring that our platform is not used for any such purposes.**
